

Rehabilitation & Skilled Nursing at The Springs

In the heart of Center City, near the all the best medical centers Philadelphia has to offer, The Watermark at Logan Square is the place to rehabilitate after a planned surgery or unexpected hospitalization. Whether your stay with us is brief or extended, you'll find everything here that you need to regain your optimal strength and functionality, even a dedicated Ambassador who will personally follow your progress and be available and answer questions along the way. When your rehabilitation is complete and you're homeward bound, we invite you to explore the residential opportunities offered within our wonderful continuing care retirement community. The Watermark at Logan Square offers excellent options for carefree Independent Living, Personal Care and Memory Care. With so many choices of floor plans, service packages and fun ways to thrive, you're bound to find an ideal fit.
