SO MANY OPPORTUNITIES TO THRIVE

Stimulating the mind and strengthening the body has enormous benefits at any age. That's why, as part of Watermark Retirement Communities®, we created **WATERMARK UNIVERSITY**. Enjoy unlimited access to fun and interesting classes just steps from your door. Choose from diverse courses like *History of a Nation*, *Sights and Sounds of the Season*, *Expressions through Art*, *Movement is Medicine* and everything in between. Classes, clubs, lectures, **EXTRAORDINARY OUTINGS, FUN SOCIALS** and outstanding meals with friends add up to a lifestyle you'll love.

OUR VISION

Unlike typical, regimented Personal Care settings that dictate what you'll do, as well as where and when, at Watermark we have a fundamental belief that people thrive when given control and choice. That's why we've purposely created a **CULTURE BUILT ON CHOICE**. We offer opportunities for every individual to thrive by making their own choices, just as they always have. That's what we're all about – creating extraordinary communities where people thrive.

CHOOSING YOUR PERSONAL CARE RESIDENCE

One of the first choices you'll make (and maybe the most fun) is selecting the apartment that's perfect for you. Do you prefer a cozy studio or one-bedroom with a tea kitchen, or a one-bedroom or two-bedroom residence with a full kitchen? We are a **PET-FRIENDLY** community so everyone will find a space that's just right. With professionals ready to help customize your apartment, you'll have a ball expressing your style.

The minute you join our Personal Care program, we'll help you maximize your independence with an array of personalized care services. We even have **PHYSICIAN, DENTAL AND OUTPATIENT REHABILITATION OFFICES ON PREMISES**. With all the time you'll save, you can partake in a **FITNESS CLASS**, borrow a book from our **VAST LIBRARY**, use our **COMPUTER CENTER** or simply enjoy an afternoon with new friends.

REDEFINING PERSONAL CARE

You'll appreciate the fact that we don't use contract labor. Only our own **CARING, ATTENTIVE ASSOCIATES** will assist you with activities of daily living and medication management. Best of all, care is delivered on your schedule, not ours, in the privacy of your own apartment. Housekeeping, linens and maintenance are all included and we have **LICENSED NURSES ON DUTY 24 HOURS A DAY, SEVEN DAYS A WEEK**. Feel free to get your nails done at our **INDULGE SALON**, enjoy a work out in our **VITALITY FITNESS CENTER** or just sit back and enjoy the views from our gorgeous **GARDEN TERRACE**. We have dozens of classes and clubs and if you have an interest, just let us know. We'll be sure to add it to the list of options.

AN OPTION FOR EVERY APPETITE

Here, friends and neighbors connect to share meals, stories and laughs. **THREE DAILY MEALS AND SNACKS ARE INCLUDED**. Our ever-changing menu features an array of choices from upscale selections at **THE MARK** to quick and delicious meals at the **GALLERY CAFÉ**. You can always create your favorite snacks in your own kitchen or just leave all the shopping, cooking and cleaning to us. For a change of pace, join our **FREQUENT OUTINGS** to fun places like Atlantic City and Cape May or picnic with us in the park.
